Why Consider Me?

So I don't have the required degree level?

That's only part of my story, as I have developed myself far beyond the scope of my **biochemistry degree**, branching out in new and exciting directions including **web design**, and **marketing material**.

I have the entrepreneurial flair!

What I Do:

I use my creative energy to:

Creatively Design unique:
Websites,
Posters
Logo's

DVD / Video Production,

Flash Animations

Online Marketing,

Search Engine Optimisation
Online Strategy

Application / Web Coding

Striving for creative perfection!

ENERGETIC ENTHUSIASTIC
FUN

Together, We'll Stand out from the Crowd!

CREATIVE RELIABLE

What will I Bring?

I have loads of **Creative Energy** to bring to your company. I enjoy working in groups of like minded people, and I am a **good team player**.

I'm **fun, easy to get along with** individual who is **highly motivated** and **energetic**. I have god **Self-Discipline** and excellent **time management skills**.

I have a **good skill set**, with lots of **experience** in different fields, I always enjoy learning new skills, I'm a very **quick learner**, and I enjoy pushing my boundries.

I Enjoy **working with others**, being part of a team. I like to meet and interact with people.

Expect the very best from me!

The Future...

People often ask me:

Where do you see yourself in the future?

My Answer:

Striving to be highly sucessful, with a full and varied career, fulfilling my creative desire. But most of all having fun and fully enjoying my life.

Taking my life in new and exciting directions!
